

Podiatric Surgery at MSU Health Care Surgery gives you access to the latest advancements in foot and ankle care. As academic faculty of Michigan State University College of Osteopathic Medicine's Department of Osteopathic Surgical Specialties, we strive to be on the forefront of care through research and experience.

Our surgical and non-surgical treatments for foot and ankle concerns are provided in the comfort of our clinic. Podiatry surgical care can be performed at Sparrow and McLaren Hospitals, or Genesis Surgical Center.

Meet the Surgeon

Ruby Chahal, DPM, FACFAS received her medical degree from Dr. William M. Scholl College of Podiatric Medicine in North Chicago, Illinois. She completed her residency in podiatric surgery with reconstructive rearfoot and ankle surgery from Oakwood Hospital-Wayne in Wayne, Michigan. She is board certified surgeon who specializes in foot surgery and reconstructive rearfoot/ankle at MSU Health Care Surgery.
